RE: Patent Application for Bullock  
Serial No.: 09/886,937  
Filed: June 21, 2001  
For: Shaken Not Stirred

Date: September 15, 2002  
Art Unit: 1638  
Examiner:  
Action: Information Disclosure with  
Articles along with Form PTO-  
1449

TECH CENTER 1600/2900

To: The Commissioner of Patents and Trademarks, Washington, DC 20231

The documents identified on the attached form PTO-1449 have come to the attention of the undersigned in connection with the subject application. Copies of these documents are also attached, unless otherwise indicated below, and it is respectfully requested that they be made of record in this proceeding. The identification of these documents is for the purpose of meeting Applicant's duty to disclosure under 37 C.F.R. 1.56 and is not intended to be an admission that any of these documents constitute prior art as to the invention disclosed in the subject application.
